THE PROBLEM

Traditional voting is broken.

Traditional voting is broken — paper ballots get lost, proxy voting gets abused, and counting takes days. Remote members get excluded, disputes are hard to resolve, and there's no audit trail when things go wrong.

THE SOLUTION

Digital, verifiable & effortless.

TrooVote makes voting digital, verifiable, and effortless. From voter registration to live results, every step is tracked, secured, and mobile-friendly. Run your next election in minutes — from any device, anywhere.

- WHY TROOVOTE
- Three reasons clients choose us
- ⚡

Launch in minutes

Create polls and elections in under 5 minutes. No training required.

🛡️

Tamper-proof results

- WHO USES TROOVOTE
- Built for every organisation
- Housing Societies

AGM resolutions, committee elections, and maintenance approvals — all done digitally.

Cooperative Banks & Credit Unions

Director elections with secure member authentication and full compliance records.

Corporate Boards

Shareholder votes, board resolutions, and AGM polls with instant verifiable results.

Colleges & Universities

Student union elections with real-time monitoring and transparent results.

- PRICING
- Simple, transparent pricing
- FREE

First 100 voters on every election or poll, at no cost. No credit card required.

PAY-AS-YOU-GO

₹20 per voter beyond the free 100. A 500-voter election costs just ₹8,000. A 1,000-voter election costs ₹18,000.

NO SUBSCRIPTIONS

Pay only when you exceed 100 voters. Price is locked in at the time you create the election — platform rate changes never affect existing elections.

ALL FEATURES INCLUDED

WhatsApp OTP login, live monitoring, voter management, audit trail, and Excel exports are available on every election, free or paid.
